

Finland – Roihu:

ROIHU 2016 FINNJAMBOREE VII

There will be 6 subcamps at **Roihu**. Within these subcamps the participants will stay in camp units of 40–80 people. Within just a month the leaders of the camp units will be nominated. If you have any troops you want to stay in the same subcamp with, please make a request during registration.

WHAT HAPPENS NEXT?

As we approach the end of the year, we will send you more specific information, for example the exact camp fee and costs for the transportation. At the moment the estimated camp fee is 220–270 euros. All the important information will be shared with you before the registration starts. The registration starts in November 2015 and will continue until mid-January 2016.

At January 2016 the first **“Sparks”** will take place. These **“Sparks”** are activities intending to get you into the Roihu groove and can be done by all age groups from cubs (age 8–10 years) to leaders. These activities are a great way of experiencing the feeling of the Finnjamboree even if you won't be attending the camp. Join-in-Jamboree package will also be published later on.

PROGRAM FOR DIFFERENT AGES

The program of Roihu is being planned as you read this letter. All scouts from different age groups will be taken under consideration so that everyone has program suited for their own age.

Trackers (age 12–15 years) will

be doing program among 6 themes: *Experience, Health Competition, Culture, Creativity and Water*. Explorers (age 15–17 years) will experience 5 of the themes, a service task and a fun one day will-o'-the-wisp trip in the area around the camp. Rovers (age 18–22 years) and leaders (age 22 or older) will be working at the camp as IST's or otherwise, but there will be activities or day trips arranged for both age groups to experience the Finnish scouting.

Also, cafés and subcamps will be offering smaller activities or happenings that rovers and leaders can attend at their spare time. Of course, there will be big evening programs that are for everyone, which will bring the camp together as one!
