

## Polen – Central European Jamboree:

CEJ will take place in **Wroclaw**, located in south western Poland.

Wroclaw is the capital of the Lower Silesia Voivodeship which is one of the most attractive areas in Poland.

You can find there an unforgettable fusion of history and modernity.

The city is an important cultural, touristic, academic and economic centre. Worth mentioning is the fact that Wroclaw was chosen as the **European Capital of Culture for 2016**.

The motto of the CEJ 2016 is “**The art of scouting**”. We think that art is something which can merge scouts, give them the possibility to express their own thoughts and to develop various skills.

What’s waiting for you at the event:

- artistic workshops prepared by professionals,
- various trips organised in the region of Lower Silesia – hiking with a lot of attractions (bikes, canoeing)
- scout service to the local community,
- location-based games,
- festivals and concerts,
- central place with diverse activities (circus, sport activities, cooking, crafts etc.).

During the whole Jamboree each group will be working with three other groups from different countries, so that it will help the participants to make long-standing friendships. We believe that the CEJ will be the beginning of cooperation between scouts from different countries in the future.
